

# Stoke Climsland Parish Council

MINUTES OF THE EXTRA ORDINARY MEETING OF STOKE CLIMSLAND PARISH COUNCIL HELD ON TUESDAY 26<sup>th</sup> MAY 2009  
COMMENCING AT 8.00PM IN THE BACK ROOMS, PARISH HALL, STOKE CLIMSLAND

PRESENT: M Cox (Chairman), C Davy (Vice-Chairman), Councillors S Cazaly, P Barriball, M Joll, C Vulliamy

IN ATTENDANCE: V Tatters all - Clerk to the Council.

The meeting was called to formalise the adoption of the quotations provided by Schoolscapes for the replacement of the play equipment on the Village Green.

The Chairman gave a brief overview of prices received to date, together with a quotation for the additional Pendulum swing. Wickstead to supply only - £5360 and £9033.55 to supply and install (including the safety surface).

The second figure was beyond our budget so the Chairman asked Schoolscapes if they would be interested in installing the pendulum swing and supply and lay the safety surface. They provided a quotation of £1457 for the above. Add this to the price of the swing, a total of £6817. Within our budget and a saving of £2216.55.

This means that the total budget to date for the replacement of the play equipment is £33,936 plus VAT.

It was further noted that neither company requires an upfront deposit.

It was therefore proposed by S Cazaly, seconded by M Joll with all councillors present in favour of accepting the quotations received by Schoolscapes and Wickstead.

It was agreed the clerk would write to Guy Associates to advise that on this occasion his quotation had been unsuccessful.

The clerk circulated the Notices of Vacancy for 2 Parish councillors received from Linda Ridley - Deputy Returning Officer at Cornwall Council.

A general discussion took place regarding the process together with the costs of a potential By-Election to the parish which could mean an increase in the precept for 2010/11.

Clerk to discuss with the Returning Officer prior to the June meeting of the parish council to get an overview of the costs to the parish.

The meeting closed at 8.40pm
