

Section 3 – External Auditor Report and Certificate 2020/21

In respect of **STOKE CLIMSLAND PARISH COUNCIL – CO0186**

1 Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2021; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work **does not** constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and **does not** provide the same level of assurance that such an audit would do.

2 External auditor report 2020/21

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The smaller authority has disclosed that it made proper provision during the year 2020/21 for the exercise of public rights, by answering 'Yes' to Section 1, Assertion 4. However, as was reported last year, we are aware that it failed to do this and therefore should have answered 'No' to this assertion. It has also disclosed that it took appropriate action on all matters raised in reports from internal and external audit, by answering 'Yes' to Section 1, Assertion 7, which, on the basis of the above, is not correct.

The AGAR was not accurately completed before submission for review. Please ensure that amendments are corrected in the prior year comparatives when completing next year's AGAR:

- The smaller authority has not restated the prior year comparative figures for the amendments that were carried out on last year's AGAR. Section 2, Boxes 4, 6, 7 and 8 of the prior year should read £5,739, £21,207, £19,076 and £19,076 respectively. As the restatement affected the figure in Box 7 this means that Section 1, Box 1 for the current year is also incorrect and should read £19,076 with an adjustment of £26 in one of Boxes 2-6 of the current year to ensure that the figures in Section 2, Boxes 7 and 8 still reflect the correct closing position.

Other matters not affecting our opinion which we draw to the attention of the authority:

None
